

Remarks

In a telephone interview between the Examiner and the under-signed attorney, it was concluded that the present application is divided into two distinct inventions. A first invention is covered by claims 1-18 and 36-44. A second invention is covered by claims 19-35. The claims of the first inventions, 1-18 and 36-44 are elected without traverse.

This application is now in condition for examination and such action is respectfully requested. If any additional issues remain, the under-signed attorney requests a telephone interview to expedite a conclusion.

Respectfully submitted,
